

Dear Sirs,

I am writing in relation to my immigration matter in the UK (HO Ref: ASL/7956684). I previously instructed my legal representatives to act on my behalf, but I am now contacting you directly to request urgent assistance.

I initially submitted my asylum application on 14 September 2023, which was refused with a right of appeal on 08 April 2024. I lodged an in-time appeal against this decision on 22 April 2024. While that appeal was pending, I submitted a Skilled Worker visa application. Since both my asylum appeal and Skilled Worker visa application were pending at the same time, the Home Office informed me that I would need to withdraw one of them in order to proceed. Following this instruction, I made the decision to withdraw my asylum appeal so I could continue with the Skilled Worker visa application.

Following my instructions, my legal representatives applied to withdraw my asylum appeal. The tribunal formally ended the appeal on 01 May 2025 (UAN-1212-0001-4508-4538). Please find attached a copy of the Notice of Ended Appeal for your reference.

During this time, I also began the process of registering my marriage at the Luton Register Office. In order to do so, I require my passport. My representatives contacted you on multiple occasions five times, requesting a verified copy of my passport. Unfortunately, no response has been received so far.

As a result, I have had to postpone my appointment with the Register Office **four times**. I have now been informed that I cannot reschedule again without incurring additional costs. Please see attached copies of the correspondence previously sent to you regarding this matter.

Given that my asylum appeal has now officially ended and I have been **granted a Skilled Worker visa (Ref: 1212-0001-4508-4538)** I respectfully request that you return my passport or provide a verified copy of it urgently to the address below. The continued delay is causing me significant stress and practical difficulties, particularly regarding my marriage registration.

LUTON REGISTER OFFICE (marriageandcpinfo@luton.gov.uk)

I would appreciate your urgent attention to this matter. Should you require any further information from me, please do not hesitate to get in touch.

Yours faithfully,
Fahmida Akhter Eppa
