Dear FAHMIDA AKTER EPPA

Ref: 1212-0001-4508-4538

We are considering your Skilled Worker Migrant application dated 14th August 2024.

We are currently unable to consider your Skilled Worker application as you have an outstanding appeal for an Asylum application which was refused. You applied for this appeal on the 22nd April 2024.

Validity guidance states that an application is void when it would not be possible to grant the applicant the permission for which they applied. For example:

- an application for leave to remain (permission to stay) from a person who has their leave extended by 3C pending an appeal or administrative review, unless it is also a human rights or protection claim

However, as your appeal has not been decided you can amend this appeal application. You are unable vary your Appeal application to your Skilled Worker application as person may not make an application for variation of his leave to enter or remain in

the United Kingdom while that leave is extended by this section 3C.

The purpose of this letter is to provide you with an opportunity to confirm which application you would like to progress and which you would like to withdraw.

If there is additional information that you would like us to consider then supporting evidence must be provided.

Please send your response within 14 days to workspensoreddocumentrequests@homeoffice.gov.uk quoting your application reference.

If we do not receive a response within 14 days your application will be treated as void on the basis that you do not meet the validity requirements of the Immigration Rules.

Kind Regards

UK Decision Making Centre
