Dear Sirs,

We confirm our continued instructions to represent Ms Fahmida Akhter Eppa, 21 May 2002, Bangladesh, ASL/7956684 concerning her immigration matters in the United Kingdom. Please find the attached Letter of Authority of our client.

Our client initially had an appointment on 20 May 2025 at the LUTON REGISTER OFFICE, where she made a booking for her English marriage with her partner. Since our client's passport was with the Home Office as per her previously pending asylum claim, we wrote to you on 07 May 2025 requesting you to provide our client with a verified copy of her passport to enable her to register her marriage at the Luton marriage register office. Since we were not receiving any updates on our queries, we subsequently wrote to you on 15 May 2025 with the hope of expediting the process as the time was running out.

Unfortunately, we did not receive any update from you. Consequently, our client had to postpone her marriage registration appointment due to a lack of a verified copy of her passport. Her appointment was rescheduled to take place on 10 June 2025. We duly wrote to you again (**3rd time**) on 27 May 2025, by informing you of the new appointment date, and to respond to our request and provide our client with a verified copy of her passport to enable her to register her marriage with her partner before the deadline of the new appointment date. **Please see the attached email correspondence sent to you on 3 occasions.**

However, we still have not received any update from you. In the meantime, the rescheduled time for our client's marriage registration was about to pass again.

Consequently, our client had to reschedule her appointment yet again. The new scheduled appointment date from the Luton register office is on 01 July 2025 at 11:20. **Please see the attached confirmation.**

We request you to consider the struggle and frustration our client has been going through due to the above circumstances faced our client. Hence, we request you to provide a verified copy of her passport to the below addresses urgently, as it might not be possible to for our client to reschedule the appointment again.

Therefore, we request you send a certified copy of her passport to the LUTON REGISTER OFFICE (marriageandcpinfo@luton.gov.uk) and our office email address: info@londoniumsolicitors.co.uk, urgently, as her appointment is on 01 July 2025. You can also post the document to our office address below.

If you need any further information in relation to this matter, please do not hesitate to contact us. We look forward to hearing from you soon.

Dear Sir,

We are still waiting to receive an update on this matter from the relevant team. The appointment for our client's marriage is set for 01 July 2025. Our client needs her passport copy as soon as possible. We would like to remind you that this is our 5th request to obtain a verified copy of our client's passport, and that our client already had to reschedule their marriage appointment 3 times, as the Home Office failed to provide our client with a verified copy of her passport, despite our constant pleadings and efforts.

It is very difficult for our client to cope with this constant delay, as it is causing our client stress and anxiety.

We therefore urge you to look into our client's matter seriously with compassion and provide her with a verified copy of her passport so that she can complete her marriage registration process. We hope you will understand how much significance and importance this life event carries for our client and her partner. Additionally, we hope you will understand how much stress this unnecessary delay is causing our client.

We look forward to hearing from you soon.
