When did this immigration problem happen?

2024-04

Do you have an appeal against that decision which is yet to be heard or is awaiting judgement?

No

Give more details of what happened

I claimed asylum in the United Kingdom on the grounds of a well-founded fear of persecution in Bangladesh. However, the Home Office was not satisfied with my claim and subsequently refused it, granting me an in-country right of appeal. I exercised this right and lodged an appeal against the refusal decision.

While my appeal was pending, I received a job offer with sponsorship and submitted an application under the Skilled Worker route. The Home Office then informed me that a decision on my Skilled Worker application could only be made if I withdrew my appeal. Acting on this advice, I withdrew my appeal, following which I was granted a Skilled Worker visa.
